SOCIAL SERVICES

Children receiving payment from the Foster Care Maintenance Payments program provided through County Departments of Pensions and Security numbered 1,500 for March. The maximum board payment from the Department is based on the age of the child: children 0-2 years, the maximum is $153.00; children 3-5 years, the maximum is $162.00; children 6-12 years, the maximum is $171.00; and children 13-18 years, the maximum is $180.00. The average board payment per month may be less than the maximum because some of the children included have board payments made partially from private funds and because some children do not remain at board for a full month. In some instances the average board payment may exceed the maximum because certain children are eligible for nursing care or special care.

SOCIAL SERVICES

Children receiving payment from the Foster Care Maintenance Payments program provided through County Departments of Pensions and Security numbered 1,518 for April. The maximum board payment from the Department is based on the age of the child: children 0-2 years, the maximum is $153.00; children 3-5 years, the maximum is $162.00; children 6-12 years, the maximum is $171.00; and children 13-18 years, the maximum is $180.00. The average board payment per month may be less than the maximum because some of the children included have board payments made partially from private funds and because some children do not remain at board for a full month. In some instances the average board payment may exceed the maximum because certain children are eligible for nursing care or special care.

1/ Averages are not representative in some counties, as children were sometimes at board for only part of the month. Also, in other instances, payments are higher than usual due to unusual care required because of special needs.

2/ In addition, there were 5 children in foster care for whom neither board payment nor specialized service fee was made.

SOCIAL SERVICES

Children receiving payment from the Aid to Children in Foster Care program provided through County Departments of Pensions and Security numbered 2,480 for the month of April. The maximum board payment from the Department is based on the age of the child: children 0-2 years, the maximum is $153.00; children 3-5 years, the maximum is $162.00; children 6-12 years, the maximum is $171.00; and children 13-18 years, the maximum is $180.00. The average board payment per month may be less than the maximum because some of the children included have board payments made partially from private funds and because some children do not remain at board for a full month. In some instances the average board payment may exceed the maximum because certain children are eligible for nursing care or special care.

SOCIAL SERVICES

Children receiving payment from the Foster Care Maintenance Payments program provided through County Departments of Pensions and Security numbered 1,562 for May. The maximum board payment from the Department is based on the age of the child: children 0-2 years, the maximum is $153.00; children 3-5 years, the maximum is $162.00; children 6-12 years, the maximum is $171.00; and children 13-18 years, the maximum is $180.00. The average board payment per month may be less than the maximum because some of the children included have board payments made partially from private funds and because some children do not remain at board for a full month. In some instances the average board payment may exceed the maximum because certain children are eligible for nursing care or special care.

1/ Excludes payments from private funds.

2/ Averages are not representative in some counties as children were sometimes in boarding homes for only part of the month. Also, in other instances, payments are higher than usual due to unusual care required because of special needs.

3/ Includes children under State supervision.

4/ In addition, there were 325 children in foster care for whom neither board payment nor specialized service fee was made.
